

Traveler's Insurance and Why it's Required

- Why Insurance? Every year we have guests that have medical emergencies prior to the trip and then they must cancel. The other reason traveler's insurance is important, is if you get hurt while on the trip, traveler's insurance covers medical as well. Gonzalo Tours does not want you to lose money, this is why it is required.
- The insurance we quote on is **Allianz**. If you have your own travel insurance, we just need a copy of the policy as stated above.
- Traveler's insurance is based on your age and the amount of the trip that you want covered. There are different amounts to choose from. The younger you are, the cheaper the insurance.
- Please, do not buy your airline tickets until you have insurance.
