The El Camino Walk:

The Intense El Camino Tour involves walking 118 km (73 Miles) on Camino Portugués starting in Tui Spain and ending in Santiago de Compostela. It's designed to walk at a faster pace, providing an opportunity to enjoy the history and scenery of this beautiful part of Spain. This stretch of Camino Portugués is rated moderate with a variety of terrains including forest paths, dirt roads and some paved roads. Although this route is considered mostly flat, there are hills to climb up and over as we traverse the countryside of Galicia. We will walk an average of 12 miles a day over a period of 6 days lodging each night in either 2 or 3 star hotels or guest houses. All rooms will include a private bathroom and your luggage will be transferred to the hotel each day.
